on May 1 and November 1 of each calendar year by their immediate supervisor with concurrence or non-concurrence of his immediate supervisor. The only exception to this will be personnel appointed or assigned to the investigative bureau. These members will be evaluated by the highest ranking supervisor of field operations. The Chief of Police will examine the information adduced and render his decision, in writing, within three (3) working days.

5. Before the Chief of Police may change a favorable evaluation, he will first consult the immediate supervisor to solicit clarification of the rating. - d. Unsatisfactory - A substantial part of the work performance is inadequate and definitely inferior to the performance required for the position. Factual evidence must be presented to support this rating.

- 7. To qualify for merit pay, a member must achieve a rating of Outstanding for those

If the association determines that the grievance is meritorious, it may submit the same to arbitration within twenty-one (21) calendar days after receipt of the request by the aggrieved. However, if the grievance is not submitted to arbitration within thirty-five (35) calendar days, whether a decision is rendered or not after the grievance was delivered to the Township Management, the grievant and the association shall have been deemed to have waived the right to submit the matter to arbitration. The parties will meet and strike the list until one arbitrator remains. That arbitrator will be the mutually agreed person to arbitrate.

In the event that arbitrability of a grievance is an issue between the parties, jurisdiction to resolve the issue shall rest solely with the arbitrator selected in accordance with the above.

The arbitrator shall be limited to the issues submitted and shall consider nothing else. The arbitrator may add nothing to modify or subtract anything from the Agreement between the parties.

The costs for the services of the arbitrator shall be borne equally by the association and the Township.
